1. Please indicate which provision of the Law you believe has been or is being infringed.

2. Please indicate which business or businesses you believe have committed or are committing the infringement, and give a brief explanation of why you believe this is the case.

3. Please give a full description of the facts which give rise to the infringement, i.e. details of the alleged anti-competitive arrangement, abuse of a dominant position or merger that has been executed without the prior approval of the JCRA, including a chronological list of key dates and events, if appropriate. In the case of abuse of a dominant position, please specify the relevant market and why you believe the business in question is dominant in that market. Please provide as much supporting evidence as possible (e.g. correspondence, notes of telephone conversations, contracts, terms and conditions, etc).

4. Please explain (if applicable) how you believe competition has been or will be adversely affected by the arrangement, conduct, or merger in question.

5. Please indicate whether the matter is urgent, and if so explain why.

6. Please indicate whether any of the contents of this complaint are confidential and if so explain why. Please confirm whether we can disclose your identity to the businesses who are the subject of your complaint. If you wish your identity as complainant to be kept confidential please explain clearly why this is the case (for reasons mention in the Guideline, **‘How to make a complaint to the JCRA’**, the JCRA will endeavour to keep your identity confidential where there are strong reasons for doing so, but depending on the circumstances there can be no guarantee that your identity will not become known to the businesses in question).
