INITIAL NOTICE TO TWENTY FIRST CENTURY BOX LIMITED

Under Article 11 of the Telecommunications (Jersey) Law 2002

The JCRA is issuing this Initial Notice to Twenty First Century Box Limited under Article 11(1) of the Telecommunications (Jersey) Law 2002 (the 'Law'). Twenty First Century Box Limited currently holds a Class I Licence under the Law. In this Initial Notice, the JCRA proposes to modify Condition 1.1 of Twenty First Century Box Limited's Licence by changing the Licence's term to expire on 4 May 2008.

The term of Twenty First Century Box Limited's Licence currently is defined as a period of ten years from the Licence's commencement date of 29 October 2004; thus expiring on 28 October 2014. Over the course of the past several months, the JCRA has come to understand that Twenty First Century Box Limited no longer runs a telecommunications system within the Bailiwick of Jersey. Thus, the need for Twenty First Century Box Limited to hold a Licence under the Law is no longer required. Accordingly, in the interests of the proper administration of the Law and to reduce the administrative burden on Twenty First Century Box Limited, the JCRA proposes to modify Twenty First Century Box Limited's Licence by changing the term to expire at 11:59 pm on 4 May 2008.

The proposed modification will take effect on 3 May 2008, unless the JCRA receives representations or objections about the proposal prior to that date, in which case the effective date will be specified in any final notice issued by the JCRA under Article 11(4) of the Law.

The documents that would give effect to the proposed modification are Annex A (a copy of Twenty First Century Box Limited's Licence before modification) and Annex B (a copy in draft form of this Licence as modified). These documents have been provided to Twenty First Century Box Limited and also are available for inspection at the JCRA's offices and on its website (www.jcra.je).

Any written representations or objections in respect of this matter may be made by **midnight on 25 July 2008** to the JCRA at:
