

TELECOMMUNICATIONS (JERSEY) LAW 2002

Marathon Telecom Limited

INITIAL NOTICE

The Jersey Competition Regulatory Authority ('JCRA') having received an application from Marathon Telecom Limited to run a telecommunications system in Jersey and in exercise of its powers under Article 14 of the Telecommunications (Jersey) Law 2002, intends to grant a Class I Licence to Marathon Telecom Limited.

Marathon Telecom Limited has applied for a licence to operate a wireless based data and text messaging network in Jersey using 3G and GPRS technologies. The Board of the JCRA is of the opinion that the grant of this Licence will help to ensure that telecommunications services are provided, both within Jersey and between Jersey and the rest of the world, as satisfy all current and prospective demands and will help promote competition among persons engaged in commercial activities connected with telecommunications in Jersey.

It is intended that the Licence will be granted on 26 August 2010.

Copies of the proposed Licence and this Notice are available for inspection at the offices of the JCRA and on its website at www.jcra.je . Written representations or objections to the exercise of these specified regulatory functions may be made by letter marked for the attention of Graeme Marett, at 2nd Floor, Salisbury House, 1 – 9 Union Street, St Helier, Jersey JE2 3RF on or before midnight 25 August 2010

23 July 2010

By Order of the Board of the JCRA
