

**Update list of submissions made to the JCRA inquiry into the Economic Impact of
New Entry in the Retail Sector by a Large Supermarket Competitor**

The JCRA's advice dated 14 March 2008 to the Minister for Economic Development listed 14 parties as having responded to the JCRA's consultation paper dated 12 November 2007. Due to an oversight, 3 submissions were unintentionally omitted from this list, although the JCRA did consider these submissions in its preparation of the advice. Set out below is an updated list of all submissions received by the JCRA.
