

# TELECOMMUNICATIONS (JERSEY) LAW 2002

## LOGICALIS JERSEY LIMITED

---

### INITIAL NOTICE CICRA 13/49

---

The Jersey Competition Regulatory Authority (JCRA) has received an application from Logicalis Jersey Limited (*Logicalis*) for a Class I Telecommunications Licence to run a telecommunication system in Jersey. The new licence would replace a previous Class I licence, which has no renewal provision.

Logicalis was previously known as 2e2 Jersey Limited. The 2e2 business in the Channel Islands was acquired earlier this year by Logicalis Group, and the change of control of the licensee was approved by the JCRA (see CICRA 13/29). Prior to May 2005, Logicalis had been known as XKO Communication Systems (Jersey) Limited, and it was to that entity that the original Class I licence had been issued in 2002.

Logicalis is primarily an IT business and supplier of IT services, but also resells telecoms products, including private circuits/leased lines, which it purchases on a wholesale basis from other telecoms operators.

The JCRA is of the opinion that the grant of this licence will help to ensure that telecommunications services are provided, both within Jersey and between Jersey and the rest of the world, as satisfy all current and prospective demands for them, and will protect and further the short-term and long-term interests of users within Jersey of telecommunication services and apparatus, in part by promoting competition among persons engaged in commercial activities connected with telecommunications in Jersey.

Because existing Class I Licences (unlike existing Class II and Class III Licences) do not include a specific provision for renewal, the JCRA intends in exercise of its powers under Article 14 of the Telecommunications (Jersey) Law 2002, to grant a new Class I licence to Logicalis Jersey Limited. The proposed conditions of this licence are attached to this Notice.

Copies of the licence and this notice are available for inspection at the offices of the Channel Islands Competition and Regulatory Authorities (CICRA) at: 2nd Floor, Salisbury House, 1-9 Union Street, St Helier, Jersey, JE2 3RF, between 9.00am and 5.00pm Monday to Friday.

It is intended that the licence will be granted on 18 January 2014 if no objections are received, otherwise a Final Notice will be issued.

Written representations or objections to the exercise of this specified regulatory function may be made by letter and delivered to 2nd Floor, Salisbury House, 1-9 Union Street, St Helier, Jersey, JE2 3RF, or by e-mail to info@icra.je, on or before midnight on 17 January 2014.

**20 December 2013**

**By Order of the Board of the JCRA**
