Information Note: Proposed Further Directions

The Jersey Competition Regulatory Authority (**Authority**) issued its [Decision and Directions](#) on 17 September 2021, relating to the outage of the network of JT (Jersey) Limited (**JT**) on 12 July 2020. The Decision and Directions set out:

- the Authority's Decision that JT had contravened Conditions 9 and 14 of its licence under the Telecommunications (Jersey) Law 2002; and
- the Authority's Directions to JT in relation to certain issues identified in relation to elements of JT's network.

The Decision and Directions stated that the Authority would consider separately whether to seek to impose financial penalties on JT in relation to the contraventions of its licence.

The Authority has today provided to JT its proposed form of Order imposing such financial penalties, and JT has the opportunity to make representation to the Authority, the deadline for doing so being 17:00 on 17 March 2022. The Authority will consider any representations and make the Order or take such other action as it determines.
