- (c) special offers to all or any of its Users for particular categories of Licensed Services or Postal Services provided to fulfil the USO;

it shall publish the same at least twenty one (21) days prior to their coming into effect and provide full details of the same to the JCRA.

20.3 The JCRA may, after consultation with the Licensee, determine the maximum level of charges the Licensee may apply for Licensed Services or Postal Services provided to fulfil the USO in such a manner as to ensure that the prices:

- (a) enable the Licensee to have sufficient resources to fulfil the USO;
- (b) are not excessive;
- (c) are not predatory; and
- (d) in the case of Postal Services provided to fulfil the USO, are affordable.

20.4 All published prices, discount schemes and special offers of, or introduced by, the Licensee for Licensed Services shall be transparent and non-discriminatory; all prices shall be cost-justified and all special offers shall be objectively justifiable.

20.5 If the JCRA, after consulting the Licensee and such other persons as it may determine, is satisfied that any published price, discount scheme or special offer is in breach of the Postal Law or this Licence, the JCRA may, by issuing a Direction, require the Licensee to bring the relevant prices, discount schemes or special offers, into conformity with the Postal Law and/or the requirements of this Licence.

20.6 Condition 20 applies to a Subsidiary of the Licensee if the Licensee delegates to the Subsidiary the provision of any Licensed Services or any Postal Services provided to fulfil the USO under Condition 2.2.

20.7 The JCRA may decide to waive Condition 20 in whole or in part where the Licensee demonstrates to the satisfaction of the JCRA that it does not have a dominant position in a relevant market.

21. OTHER SERVICES

21.1 To continue to provide (unless otherwise agreed by the JCRA):

- (a) Business reply services to Users, subject to appropriate and reasonable terms and conditions as determined by the Licensee;

- (b) a redirection service for the island of Jersey addresses subject to appropriate and reasonable terms and conditions as determined by the Licensee;
- (c) a retention service for island of Jersey addresses subject to appropriate terms and conditions as determined by the Licensee.

21.2 The costs for the above services shall be included within the cost of the USO.

22. FAIR COMPETITION

22.1 The Licensee or any Subsidiary of the Licensee shall not, where it is in a dominant position, do or omit to do anything which would be an abuse of that dominant position under Article 16 of the Competition (Jersey) Law 2005.

22.2 The Licensee or any Subsidiary of the Licensee shall:

- (a) not abuse any position of dominance in any relevant market;
- (b) not engage in any practice or enter into any arrangement that has the object or the likely effect of preventing, restricting or distorting competition in the establishment in the provision of Postal Services; and
- (c) comply with any Direction issued by the JCRA for the purpose of preventing any market abuse or any practice or arrangement that has the object or effect of preventing, restricting or distorting competition, in the provision of the Licensed Services.

23. SEPARATION OF ACCOUNTS

23.1 Within twelve months of the Licence Commencement Date, the Licensee shall ensure, and confirm to the JCRA, that it maintains accounting records in a form that enables the relevant Licensed Services specified in any Direction given by the JCRA to be separately identifiable, and which the JCRA considers to be sufficient to show and explain the transactions of each of those activities.

23.2 The JCRA may require reports on the accounting records and/or activities from time to time. The JCRA may direct the Licensee as to the basis and timing of such reports.

24. CROSS-SUBSIDISATION

24.1 The Licensee shall not unfairly cross-subsidise or unfairly subsidise the establishment, operation or maintenance of any Postal Facilities or Postal Services or receive any unfair cross-subsidy or any unfair subsidy. For the avoidance of doubt, cross-subsidisation for the purpose of either:

- (a) providing the USO; or
- (b) having sufficient financial resources to discharge the Licensee's liabilities under securities issued by the company to the States of Jersey

is permitted.

24.2 To assist the JCRA in evaluating whether any unfair cross-subsidisation or unfair subsidisation is taking place, the Licensee shall record at full cost in its accounting records any transfer of assets, funds, costs, rights or liabilities between a part and any other part of its Business, and between it and any Associated Company or shareholder, and shall comply with any Directions issued by the JCRA for this purpose.

25. UNDUE PREFERENCE AND UNFAIR DISCRIMINATION

The Licensee shall not, where it holds a dominant position in a relevant market, show undue preference to, or exercise unfair discrimination against, any User or Other Licensed Operator regarding the provision of the relevant Postal Services provided in that relevant market. The Licensee will be deemed to be in breach of this Condition if it favours any Business carried on by the Licensee or an Associated Company or shareholder or Other Licensed Operator, so as to place Other Licensed Operators competing with that Business, at an unfair disadvantage in relation to any licensed activity.
